BBQ SCORE CARD

A BUSINESS IMPERATIVE

BBQ Scorecard is a groundbreaking business-to-business publication showcasing the benefits of Broad-Based Black Economic Empowerment (B-BBEE) with special emphasis on South African entrepreneurs and companies that implement the BEE scorecard system to boost their bottom line and achieve social and economic transformation all at once. Included is a new section dedicated to profiling prominent B-BBEE achievers with special focus on transformation.

The publication will focus on legislative issues, corporate benefits and operational challenges to help you build a deeper understanding of the latest developments and concerns affecting your BEE management. Through practical case studies, panel discussions and in-depth presentations this publication will examine and answer your most pressing BEE concerns.

Distribution:

BBQ Scorecard is distributed to members of NAFCO, to all BMF members, SACOB, prominent companies and SMEs as well as MDs and CEOs of JSE-listed companies and government departments.
